<p><u>Christian Vision</u></p> <p>Could each class have 'x' amount of letters (divide up the vision fairly) and the classes have to use the same letter template but design the letters differently i.e. using plastics. This display could go above the hall doors?</p> <p>Can we get companies to recycle plastic to make us some rulers and pens etc. with the slogan 'Copp Fantastic, No More Plastic!' (or Re-use Plastic)</p> <p>Can we make an orienteering activity with the vision - maybe each station has a letter of the vision that children need to locate?</p> <p>Bible quotes outside of classrooms that link to the vision.</p> <p>All classes to say the vision after their end of day prayers.</p> <p>Can we make another frieze with the vision? Or can we add one extra canvas to the frieze that has Copp's vision?</p> <p>Can we have Christian games (Godly Play?) based activities out in the playground?</p> <p>If we do get playground marking can we get Christian focused thing? i.e. Lord's Prayer? Pray Corner? Etc.</p>	
<p><u>Any other business</u></p> <p>Can we have a 'CSC' box where all children can post their ideas in and CSC can read these at their meetings?</p> <p>More different sporting events (not just football competitions).</p> <p>Can CSC make a PowerPoint about all of our plastic ideas and do another assembly?</p> <p>Can we grow even more fruit and veg and eat this daily? i.e. salad bar?</p> <p>Can we do a Kahoot quiz (one for KS1 and one for KS2) all about plastic and have plastic recycled prizes?</p> <p>Can we make a Copp board game! Spaces could be bad environmental things that link to school i.e. 'you brought in cling film today - go back three spaces', 'you used beeswax to wrap your sandwich - advance to 5 spaces' etc.</p>
