ST ANNE'S COPP CHURCH OF ENGLAND PRIMARY SCHOOL, GREAT ECCLESTON

CURRICULUM OVERVIEW

TERM
Autumn 2

Year 5

Science – Forces
- Explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object.
- Identify the effects of air resistance, water resistance and friction that act between moving surfaces.
- Recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect.

DT – Mechanisms
- Design and create a pop-up book.
- Assemble the components necessary for their mechanism.
- Use a range of mechanisms and structures to illustrate their story and make it interactive for users.
- Use appropriate materials and captions to illustrate the story.

History
- Lancashire Slave Trade Ship 'Hope'
- Children will learn what life was like for enslaved people in the past. They will find out about how significant people, events and changes in laws led to the abolition of slavery over time.

My Happy Mind
Celebrate

PPA
French – Mrs Twigg
Music – Mrs Ingham

RE – Christmas
- Give children a Biblical perspective on the nativity story.
- Deepen children's understanding of what Christians believe to be the true meaning of Christmas.
- Increase pupil's knowledge and understanding of the place of the incarnation in God's Big Story.
