To understand that Jesus' teaching makes an impact in people's lives, their values, choices and behavior.

The Kingdom Of Heaven

The Kingdom of Heaven is a calm place to be
Fluffy clouds, a hot sun, what a sight to see
People playing, expressing their feelings
Like a clean slate, or a fress orange peeling

No person to small, no dream to big
But you have to earn it, climb, or dig
Find some silver, find something gold
Get took away by a river, never untold.

It is ← A river full of Justice, conecting to the sea
If Heaven was on earth, then people would be free
War wouldn't be a thing, in it's place, serene
A slate as you say, so forgiving, so clean

The kingdom of Heaven, is and overflowing lake
To much love for God is never a mistake
He is the light of the world, so is Jesus
If heaven was on Earth, maby he would be on the world

He guides our way, spreading peace and harmony
Like illuminated colours, light shining on me
Beacons of light, long and wide
May your sins be forgiven, and never denied
