To understand that Jesus' teaching makes an impact  
in people's lives, their values, choices and behaviours.

### The kingdom of heaven!

The kingdom of heaven is a slower, a slower that  
has a merciful shade of harmony and friendship.

It is like a seed being planted in fertile soil, may  
your kingdom grow deep roots in our trust and  
justice.

The kingdom of heaven is a winding river that  
Sways through the dry land.

The kingdom of heaven is a pearl small enough  
to miss.

It is were you live forever and more. You have  
your loving family that cares for you like a  
perfect person.

The kingdom is a great banquet, a table  
stretching beyond the horizon, where the last arrive  
first and the forgotten are given the best seats.
