

Key Instant Recall Facts - Year 2 - Summer 1

By the end of the half term, children should know the following facts. The aim is for them to recall these facts instantly.

Children need to be able to tell the time using a clock with hands.

This target can be broken down into several steps:

1. I can tell the time to the nearest hour.
2. I can tell the time to the nearest half hour.
3. I can tell the time to the nearest quarter hour.

Key vocabulary:

Hour

Minute

Seconds

O'clock

Half past

Quarter past

Quarter to

Time

Top Tips: The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or in the car?

Talk about time: Discuss what time things happen. When does your child wake up? What time do they eat breakfast? Make sure you have an analogue clock visible in your house or that your child wears a watch with hands.

Ask your child about time regularly: You could also give your child some responsibility for watching the clock.

"The cakes need to come out of the oven at quarter past 4."

"We need to leave the house at half past eight." Games: [Telling the Time - Mathsframe](#)
