

We have had another busy half term and are looking forward to our favourite time of year ...
Christmas!

As usual, we held our Spirituality Day on the first day of term. During this day we explored our focus Christian value, which is humility. We chose this particular value for the Christmas half term to help the children think about others, especially those who have less than us, in whatever capacity. We will be celebrating our own successes but remembering not to be boastful or vain.

Last half term we were very lucky to be visited by Helen Lewis, who led one of our worship services for the whole school. She came back this half term to see our Y4 and Y5 children and she and her helpers spent an afternoon looking at "The Diary of a Disciple". It was a really interesting, reflective afternoon which gave all of us something to think about.

KS2 (Y3 - Y6) are busy working on their Christmas Concert which will be held in St Anne's Church. We decided on a very traditional theme this year, because we felt that this was important in this very hectic world and this very busy time of year.

KS1's Nativity is "Shine, Star, Shine" - a play about a big star, who must show the way to the stable where a special baby has been born. The problem is, he just can't shine and he is worried about how the shepherds and kings will find their way. Watch this space ...

"Be completely humble and gentle; be patient, bearing with one another in love." (Ephesians 4:2)

Please feel free to come and see us anytime but in the meantime, a very happy Christmas and a peaceful and blessed New Year.

Mrs Melvin, staff and children
