# GENDER EQUALITY POLICY

*"Let us love, not in word, but in truth and action." (1 John 3:18)*

SEPTEMBER 2023

Approved by GB: September 2023  
Next review due: November 2025

In building solid foundations for every unique individual and putting God's love at the centre of all we do, our children learn to embrace our diverse world. We encourage our children to learn universally in order to understand our heritage and roots as a village, town, region and nation. Through strong community links, our children grow in **compassion** and **understanding**, promote **justice** and possess commitment and **aspire** to make a positive difference. We offer an ambitious curriculum that ignites **curiosity** along with high personal expectations that fosters **resilience** and which enables them to flourish. Our children are easily distinguished by the **courage** they show when making brave choices and understand the importance of becoming the very best versions of themselves.

### **CURRICULUM & EQUAL OPPORTUNITIES STATEMENT**

The School curriculum incorporates our values and aims and is designed to provide equal opportunities for all children regardless of age, gender, ethnicity, attainment or background. It pays particular attention to provision made for and the achievement of different groups of pupils within school.

**This policy applies to all governors, staff, pupils, parents/carers and visitors to the school, including all contractors.**

#### **Aims of the Gender Equality Policy**

Our gender equality policy builds upon the intent, core values and ethos of the whole school community. We acknowledge our statutory duty to eliminate unlawful sex discrimination and harassment and promote equality of opportunity between men and women. This policy will be an integral part of our school life and is also referenced in our Safeguarding Policy.

#### **Leadership, Management and Governance**

The Governing Body is committed to eliminating unlawful sex discrimination and harassment and to promoting equality of opportunity between men and women. We will ensure that all our current policies are reviewed with this in mind. The governors will develop their knowledge and understanding of gender equality. We will monitor carefully the implementation of this policy and its related procedures and strategies in order to improve our practice.

It will be the responsibility of the Headteacher to ensure that this policy is successfully implemented and that all those who work in the school understand what they are to do and have relevant training and support. The Headteacher will ensure that appropriate action is taken in the event that this policy is not complied with. All members of staff have a responsibility for ensuring that the policy is implemented fully.

The governors expect that all staff will know how to challenge gender bias and stereotyping, both inside and outside the classroom.

Teaching staff have a central role in promoting gender equality. The effectiveness of our policies will be judged by how successfully they encourage, support and enable boys and girls to reach their full potential; by how they ensure that boys and girls have full and equal access to the curriculum and by how they promote gender equality through learning and teaching, the curriculum and the quality of care and guidance. The governors expect all staff, pupils and parents/carers to support us in this work.
