14<sup>th</sup> March 2025

*Head teacher's message.*

*We are passionate about providing our children with a rich and diverse range of experiences that go beyond the classroom. Every visit and opportunity we offer is carefully planned to enhance the curriculum while also broadening our children's cultural capital—giving them experiences that they may not otherwise have beyond school. Whether it's exploring historical landmarks, engaging with the arts, discovering the wonders of nature, or meeting inspiring people, each experience is designed to spark curiosity, deepen understanding, and create lasting memories. We take great pride in our offer and love hearing the children's excitement and reflections after these visits. Their joy, wonder, and new perspectives remind us why these experiences are so valuable. Thank you for your ongoing support in helping us create these opportunities. We look forward to many more enriching experiences ahead.*

As part of the learning in history, our Year 3 children took part in a visit to Ribchester this week. The children all had a fantastic time, and each child was a credit to the school. The museum guide even commented on 'what a great bunch' of children they all are. They should all sleep well tonight! The children started off the day with a talk from the museum guide who spoke to them about the Roman fort in Ribchester. They then got to hold some real Roman artefacts which had been found in Ribchester!

**UPDATE ON OUR AMBITIOUS TARGET TO FEED EVERY CHILD, EVERY DAY AT TWIN CARE FOUNDATION SCHOOL, UGANDA**

Thanks to the incredible efforts of our school community—through various fundraising activities, the dedication of FOCS, and our wonderful children generously emptying their piggy banks—we are delighted to share that Twin Care Foundation has now received the funds raised at the end of last year.

With great excitement, we were able to send **£457.68 (equivalent to 2,166,405.40 Ugandan Shillings)** to support the school. These funds have been used to purchase sacks of rice, ensuring that all children can enjoy a school lunch for as long as possible. Additionally, two children who previously could not afford a uniform have now received one, helping them feel truly included in their school community.

This generosity will make a real difference, and we are so proud of everyone who contributed!

The videos we have received from Uganda are truly moving. We will show these to our children in Worship next week.

They are also available on our school website for you to view:

## A is for Attendance!

At St Anne's Copp we aim to develop the gifts and talents of all our pupils and to encourage a love of learning. To achieve this, and for our children to achieve their full potential, excellent attendance and punctuality is crucial.

### Does attendance really matter?

### Illness

There is some helpful guidance on the NHS website as to when your child is too ill for school <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Parents must phone school **each day** that their child is ill, before 9.20am, and there must be a valid reason (school can request evidence such as proof of a doctor's appointment or evidence of a prescription). If we do not hear from you each day, we will ring to find out why your child is not in school.

### Medical Appointments

We request that, where possible, routine medical and dental appointments are arranged outside of school hours as these appointments will affect your child's percentage attendance. We do understand that some appointments, such as hospital consultations, are not always possible to arrange outside of school hours. However, if your appointment time allows your child to come to school for registration, 8.55am, and then leave, this will have a positive impact on their attendance figure. Likewise, if they are able to be back in school for afternoon registration (1pm Reception & KS1 and 1.15pm KS2) this will also have a positive impact.

### Punctuality Matters

Arriving on time for school is important as late arrivals are disruptive to the class and leads to missed chances to hear what will be happening that day and missed learning.

- ❖ School doors open 8.40am
- ❖ Register is taken at 8.55am
- ❖ Late arrivals from 8.55am-9.25am (and PM Reception & KS1 1.30pm and KS2 1.45pm)
- ❖ Arrival after 9.25am (without a valid reason such as an appointment) is recorded as unauthorised

We understand that mornings are hectic, but did you know that being 5 minutes late each day is the same as missing three whole days of school!
