

Value this half term : Truth & Truthfulness

18th June 2026

Head teacher's message.

It has been lovely to see the wealth of enrichment opportunities our children have enjoyed beyond the classroom this week. Our Year 4 pupils had a fantastic visit to Showtown, bringing their learning to life through engaging and memorable experiences. Meanwhile, Year 6 pupils have been developing important life skills and confidence through their Bikeability sessions, learning how to cycle safely and responsibly on our roads. We were also thrilled to welcome a visiting author into school for Years 3 and 4. The sessions inspired our young readers and writers, encouraging creativity and fostering a love of books and storytelling. These experiences are an important part of our curriculum, helping children to broaden their horizons, develop new skills and create lasting memories.

HELPING HANDS DAY

THIS SATURDAY! Help is needed from 9am until 12. If you can spare a little time to help with a long list of jobs that need attention around school, we would be very grateful. Volunteers will be rewarded with a sausage butty and a brew (or a biscuit and juice if a child). If you are able to attend, please email parent@ so we can order the correct amount of food. Thank you in advance.

RECEPTION CHURCH WORSHIP

Our youngest school pupils delivered their church worship this morning to a very full congregation. This is such a large undertaking for our children as they delivered their reflections of their first year in school and their hopes for moving to Year 1. Well done each and every one of you! It takes a lot of courage and resilience to stand up in front of so many people and deliver lines. You all did superbly. Thank you to all staff in Reception including: Miss Pixton, Mr Detko, Miss Dickinson and Miss Futughe.

WATER SAFETY

Following recent tragic incidents involving open water, the Health Protection Team have shared this important reminder of how quickly situations can change. Even on hot days, open water can be dangerously cold, and conditions are often unpredictable. Children and young people may not always recognise these risks, so it is vital that these key safety messages are shared with parents & guardians and reinforced to keep people safe. Please see the advisory poster at the end of the newsletter.

KAPLA DAY

Next Wednesday, our classes will experience a STEM learning day through Kapla. This will be an immersive experience for our children and should bring a wonderful day of science, engineering, art, maths and PSHE using skills such as perseverance, resilience, concentration and creativity. We look forward to sharing progress through the day on Dojo.

ATTENDANCE AWARD

Well done to Year 3 who won last week's attendance award with 100%.

MUSIC SUNDAY

A HUGE thank you and well done to some of our choir who represented school at Music Sunday last weekend. The children sang the Gloria as well as a medley that involved precision timing; the congregation appreciated your involvement and the feedback was super complimentary after the service. Thank you to you all.

SUMMER 2 ENRICHMENT CLUBS

Please see this half term's club list at the end of the newsletter.

NEW STARTERS TRANSITION SESSIONS

Our second transition session for our new Reception starters begin on Monday afternoon. If your child attends Pre-school, they can remain in the setting and we will ensure they are safely delivered into the Reception classroom for the afternoon.

END OF DAY HANDOVER

We would like to politely remind parents and carers that once children have been handed over by staff at the end of the school day, responsibility for their supervision rests with their parent or carer. If children choose to use the playground equipment after collection, please ensure they are closely supervised, as school staff are no longer on duty to monitor safety or provide supervision at this time. Thank you for your support in helping to keep all children safe.

TRANSITION SESSIONS : YEAR 6 TO YEAR 7

Parents and carers of Year 6 pupils have been offered a new Transition Support Programme. Delivered at The Manor & Hub, Cleveleys, the programme includes four sessions led by professionals, offering practical advice, guidance and signposting to help families feel confident about the move to secondary school. An optional additional session is available for those who may need more tailored support. Please see the poster at the end of the newsletter.

SUMMER SCHOOL

Advising our families that we are just finalising arrangements for a summer club to be run in school from 20th July to 24th August. This will be run directly by Fleetwood Town. Details of how to book will be sent shortly.

D.I.S.C.O.

Back by popular demand! Our end-of-year discos (including a silent disco for Years 3-6) will be held on Thursday 25th June.

Reception, Years 1 & 2 disco is from 5.30pm-6.30pm
KS2 (SILENT DISCO) 6.45pm-8pm
£5 per ticket, purchasable from ParentPay
Drinks and snacks will be provided and KS2 will have a tuck shop.

WELL DONE BLUE TEAM.

Another step up the leaderboard.

PARENT EMAIL

Please be reassured that the parent email account is monitored frequently and emails are passed to the relevant staff member where this is needed. Parents sending emails into school should get an automatic return receipt to acknowledge the email has been received by school and is being dealt with as acknowledgement. If you feel your query is more urgent, please telephone the school office who will be happy to speak with you.

Have a lovely weekend.

Water safety – Important message for parents and schools

Following recent tragic incidents involving water, this is an important reminder of how quickly situations can change. As the weather gets warmer, more children and young people are spending time around rivers, lakes and the coast, increasing the risk of harm.

Even on hot days, open water can be dangerously cold, and conditions are often unpredictable.

Children and young people may not always recognise these risks, so it's vital that key safety messages are shared.

Key water safety messages

Please help reinforce the following advice with children and young people:

- **Stop and Think:** Check for hidden hazards such as deep water, currents and cold temperatures
- **Stay Together:** Never go into or near water alone; choose areas with lifeguards where possible
- **Call 999 in an emergency:** Ask for the Coastguard at the coast, or Fire & Rescue if you are inland
- **Float** – If you fall in, stay calm, float on your back and control your breathing

"Let us love, not in word, but in truth and action." 1 John 3:18

Cold water shock

Many recent incidents have involved cold water. Even strong swimmers can be affected. Sudden immersion can cause panic, loss of breathing control and reduced ability to swim.

If you fall into water:

- Try to stay calm: The effects of cold water shock usually pass within the first minute
- Float on your back to regain control of your breathing
- Once calm, call for help or swim to safety if possible

A Life-saving skill: Float to Live

Teaching children how to float could save a life:

- Tilt your head back with ears in the water
- Relax and breathe slowly
- Move hands and feet gently to stay afloat

In an emergency:
