Headteacher: Andrea Loughran

Value this half term : Truth & Truthfulness

25th June 2026

Head teacher's message.

I would like to take a moment to thank our children for the resilience and maturity they have shown during the recent spell of hot weather. We have made a number of adjustments throughout the school day, including providing additional opportunities for hydration, making use of shaded areas and adapting activities where necessary to ensure everyone has remained safe and comfortable. The children have coped exceptionally well and continue to demonstrate our school values each day.

DIARY DATES

26 th June	Y5 to St. Aidan's
26 th June	Y6 Diocesan leavers' Service
29 th June	Y6 smoking & vaping workshop
29 th June	New Starters transition session -pm

NEW OUTDOOR READING AREA

Our new reading area was skilfully built during Saturday morning's Helping Hands event. We are sure you will agree that this is a beautiful enhancement to the outdoor area allowing our children not only access to a quieter space to read outdoors, but also facilitates whole-class outdoor learning. The children were delighted to see this on Monday and they have already put it to good use. A huge thank you to FOCS and all our sponsors for making this possible.

KAPLA DAY

What a remarkable day! The excitement, enthusiasm and joy from each of the children was phenomenal. Together, the children created quite a structure and utilised their listening and reasoning skills to enable them to build elements of a finished piece that took up the whole space in the hall! This activity was definitely a winner with the children. Thank you to our band of volunteers who helped to assist the day: Mrs Pfister, Mrs Rogers and Mrs Hall.

GRAPES

A gentle reminder that small food items, such as grapes, should be cut in half before serving to help reduce the risk of choking.

HELPING HANDS DAY

We had a great turn out on Saturday morning for the Helping Hands morning. So much was accomplished and whilst the children took painting the sheds to a whole other level, we had other volunteers who did not get as messy but accomplished as much! Thank you to each and every one of the volunteers who gave up their Saturday morning to get school ship-shape. We are extremely proud of our school and the wonderful help we were given on Saturday has allowed us to bring it up to a brilliant standard.

NEW STARTERS TRANSITION SESSIONS

Our final transition session for all our new Reception starters takes place on Monday afternoon. If your child attends Pre-school, they can remain in the setting and we will ensure they are safely delivered into the Reception classroom for the afternoon.

END OF DAY HANDOVER

We would like to politely remind parents and carers that once children have been handed over by staff at the end of the school day, responsibility for their supervision rests with their parent or carer. If children choose to use the playground equipment after collection, please ensure they are closely supervised, as school staff are no longer on duty to monitor safety or provide supervision at this time. Thank you for your support in helping to keep all children safe.

SUMMER SCHOOL

Please see the flyer at the end of the newsletter regarding a summer camp held at school. Bookings should go directly to Fleetwood Town.

ATTENDANCE AWARD

Well done to Year 5 who won last week's attendance award with 99.57%.

YEAR 1 FARM VISIT

This week, our Year 1 children went to visit a local farm. The children participated in lots of activities and met lots of different animals. The children represented our school well and showed great behaviour. Thank you to all staff and volunteers who assisted.

D.I.S.C.O.

The DISCOs have been postponed due to the hot weather; the new date is Thursday 9th July.

Reception and KS1 5.30pm-6.30pm

KS2 (SILENT DISCO) 6.45pm-8pm

Tickets can be purchased on ParentPay.

YEAR 6 PLAY : DATE CHANGE

Due to a clash of interests with Garstang High School for some of our pupils, we have decided to move the date of the Year 6 play to Monday 13th July.

PARENT EMAIL

Please be reassured that the parent email account is monitored frequently and emails are passed to the relevant staff member where this is needed. Parents sending emails into school should get an automatic return receipt to acknowledge the email has been received by school and is being dealt with as acknowledgement. If you feel your query is more urgent, please telephone the school office who will be happy to speak with you.

WELL DONE RED TEAM.

Another step up the leaderboard.

**Have a lovely weekend.
From all the team at St. Anne's Copp**

Water safety – Important message for parents and schools

Following recent tragic incidents involving water, this is an important reminder of how quickly situations can change. As the weather gets warmer, more children and young people are spending time around rivers, lakes and the coast, increasing the risk of harm.

Even on hot days, open water can be dangerously cold, and conditions are often unpredictable.

Children and young people may not always recognise these risks, so it's vital that key safety messages are shared.

Key water safety messages

Please help reinforce the following advice with children and young people:

-  **Stop and Think:** Check for hidden hazards such as deep water, currents and cold temperatures
-  **Stay Together:** Never go into or near water alone; choose areas with lifeguards where possible
-  **Call 999 in an emergency:** Ask for the Coastguard at the coast, or Fire & Rescue if you are inland
-  **Float** – If you fall in, stay calm, float on your back and control your breathing

Cold water shock

Many recent incidents have involved cold water. Even strong swimmers can be affected. Sudden immersion can cause panic, loss of breathing control and reduced ability to swim.

If you fall into water:

- Try to stay calm: The effects of cold water shock usually pass within the first minute
- Float on your back to regain control of your breathing
- Once calm, call for help or swim to safety if possible

A Life-saving skill: Float to Live

Teaching children how to float could save a life:

- Tilt your head back with ears in the water
- Relax and breathe slowly
- Move hands and feet gently to stay afloat

In an emergency:

PARENTS.

Are You Ready For High School?

OPEN TO
ALL YEAR 6 PARENTS

Supporting Parents Through the Year 6 to Year 7 Transition

*Starting secondary school is a huge
milestone, for children and for parents.*

17TH JUNE – 6PM – 7:30PM

SESSION 1: WHAT'S ON YOUR MIND?

A chance to ask the questions you really want answered and explore common concerns around transition, wellbeing and support.

24TH JUNE – 6PM – 7:30PM

SESSION 2: FROM WORRY TO ACTION

Practical coaching tools to help you manage uncertainty, communicate effectively, problem-solve challenges and support your child with confidence.

1ST JULY – 6PM – 7:30PM

SESSION 3: SPECIAL GUEST – ANDY GRIFFITHS

An engaging session packed with practical insights, strategies and inspiration for navigating change and supporting young people.

8TH JULY – 6PM – 7:30PM

SESSION 4: SETTLING IN

The first few weeks matter. Explore routines, sleep, communication, consistency and ways to help your child successfully adjust to secondary school.

15TH JULY – 6PM – 7:30PM

SESSION 5: GOING DEEPER

Optional enhanced session- support for parents wanting to explore SEND, ADHD, autism, anxiety and additional transition challenges in more depth.

Whether you're feeling excited, worried, proud, uncertain, or all four at once, this free programme offers a safe space to ask questions, share concerns, connect with other parents, and gain practical tools to support your child through the transition.

Join us to build confidence, reduce uncertainty, and feel more prepared for the journey ahead.
