## Head teacher's message.

From our youngest children taking their very first steps into school life, to our Year 6 pupils preparing for the next chapter of their education, this week has been about growth, new beginnings and building relationships. It has been a joy to see children settling into new classrooms, meeting new teachers and beginning to look ahead with optimism. Change can bring a mixture of emotions, but it is also an opportunity to develop resilience, independence and confidence. I have been incredibly proud of how all of our children have approached the week, supporting one another and demonstrating the kindness and respect that make our school such a special place.

### **FOCS & SCHOOL THANK YOU AFTERNOON**

His Majesty's Lord-Lieutenant of Lancashire and Chairman of the Duchy of Lancaster Benevolent Fund Panel for Lancashire, Mrs Amanda Parker JP attended school this afternoon to be part of an official thank you to local businesses and sponsors who have assisted with the playground project. This was a wonderful opportunity to thank a host of individuals and businesses as well as our wonderful FOCS team. Thank you also to our two able Year 6 pupils who represented our pupils so well.

### **YEAR 6 DIOCESAN VISIT**

Last week, our Year 6 pupils attended the Diocesan Leavers' service in Chorley. This was a wonderful way to celebrate transition and ending the children's time in primary school. Thank you to staff and volunteers for facilitating.

### **YEAR 5 VISIT TO ST. AIDAN'S**

Year 5 had a successful visit to St. Aidan's last week to explore all things science. The children had a fabulous day and were able to learn a lot, enhancing their understanding of what they know already. Thank you to staff and parents who assisted with this visit.

### **SUMMER SCHOOL**

Please see the flyer at the end of the newsletter regarding a summer camp held at school. Bookings should go directly to Fleetwood Town.

### **ATTENDANCE AWARD**

Well done to Year 3 who won last week's attendance award with 100%.

### **TRANSITION SESSIONS**

This week, we also saw our transition sessions across school. Children had the opportunity to meet their new teacher and from my walk rounds, they all seem to have taken this in their stride. Lots of happy faces as the children tried out their new class environment and relationships.

### **SPORTS DAY & FAMILY FUN EVENING**

So far, the weather looks in our favour! Parents, carers and families are warmly welcome to watch their child in sports day on Friday afternoon from 1pm. Children will be seated in their classes at one side of the track and parents and families are invited to seat themselves at the opposite side. To ensure vigilant safeguarding remains, we formally request parents, carers and families do not approach their child during this event. Staff will take care of every eventuality!

As we look forward to celebrating Sports Day together, we kindly ask all parents and carers to help us ensure the event is enjoyable, safe and respectful for everyone.

#### **Photography and Video Recording**

We recognise that Sports Day is a wonderful opportunity to capture special memories. We respectfully ask that any photographs or video recordings taken during the event are for your own personal use only and that, wherever possible, you focus on capturing images of your own child. We ask that these images are not shared on social media or other public platforms if they include other children without the appropriate consent.

#### **Parents' Race**

We always enjoy welcoming parents who wish to take part in our traditional parents' race. Please note that participation is entirely voluntary and is undertaken at your own risk. The school cannot accept liability for any accident, injury or loss arising from participation in this event.

To help ensure the safety of everyone taking part, the race is intentionally designed to be light-hearted rather than competitive. All participants will be required to use equipment provided by the school, which is intended to reduce speed and promote safe participation.

**At the end of sports day, children will return to school accompanied by staff for a normal collection at the end of the day.**

At this point, you are encouraged to take part in the many activities organised by FOCS. Please see the poster at the end of the newsletter. Please bring cash – there are a lot of brilliant stalls for you and your family to enjoy!

Thank you for your understanding and support. We look forward to an enjoyable Sports Day and wish all of our children—and parents taking part—the very best of luck!

### **ELSWICK CHOIR REHEARSAL**

Next Tuesday evening, our Elswick Choir should attend the rehearsal in advance of Saturday's performance. Full details will be posted on the Choir Dojo shortly.

### **D.I.S.C.O.**

With the postponement of the disco last week due to hot weather, we look forward to ending this academic year in style! If you have already bought tickets, these will be transferred to the new date. If you require a refund, we will ensure this is actioned for you.

### **YEAR 6 PLAY: DATE CHANGE**

Due to a clash of interests with Garstang High School for some of our pupils, we have decided to move the date of the Year 6 play to Monday 13<sup>th</sup> July.

### **END OF YEAR REPORTS**

Reports are due with parents on Monday 13<sup>th</sup> July. If you wish to speak with your child's teacher to discuss further, please request an appointment via parent@ email address.

### **GRAPES**

A gentle reminder that small food items, such as grapes, should be cut in half before serving to help reduce the risk of choking.

### **YEAR 6**

Year 6 were visited by Smokefree Lancashire on Monday to talk about the dangers and health risks of smoking and vaping. A serious topic, but definitely worth spending the time discussing before children leave us for high school.

**WELL DONE RED TEAM.**

**Another step up the leaderboard.**

**Have a lovely weekend.
